Foreword

So deeply imbibed in the history of our school are the ideals of good citizenship and democratic living, that they have become traditions. These ideals are as traditional as our Senior-Class rings, our candlelight ceremony at class day, our Junior candle-bearers at commencement or our football game with Glen Allen. Each year, since the founding of our school, the students have contributed towards perpetuating these traditions and establishing new ones.

We, the Student Body of Highland Springs High School, do hereby offer in the Highlander of 1950, the story of Our School Year—with the hope that there be found within its pages some small keepsake worthy of becoming a tradition in this Our Alma Mater.

History of the School

Highland Springs High School observed its first graduation exercises in 1907 at which time there were three to receive diplomas. Since that time it has grown from a two-room school situated across the Nine Mile Road to the present building. Next came the building which now houses the power plant and the woodworking shops. Because that building was demolished by fire a new one was erected which is used today as our elementary school; incidentally our eighth grade has borrowed several of its rooms. As our school grew, necessity compelled the building of our present high school building, which was first used in 1925. Even after several additions have been made at various times we are over-flowing the walls of this our beloved Alma Mater, and plans are well under way toward the erection of a new high school building which we hope will be completed by 1952.

In these years, from 1907 until the present, Highland Springs has had four principals—each very different in his manner, but each giving to the students a true foundation in character and a real understanding of the fundamentals of education. Miss Lottie M. Evans was first, Mr. Holmes C. Turner followed her, Mrs. Marjorie B. Bonnet was here as principal from 1925-1943 and Mr. Irving Brooks has been our principal since then.

In all these years many traditions have arisen to become a part of our school lives and have embedded themselves so deeply in our hearts and minds, that in years to come as we take our places in our homes and in our communities we will remember them.

As a matter of record we should like to list a few of the tangible ones—and reflected in our lives we hope that we can show the idealistic ones:

Our first Highlander was published by the class of 1916.

The Highlander seal was adopted by the student body and the faculty in 1923.

The Alma Mater Song was written by Ruth Hawkes of the class of '25.

Washington & Lee Swing was paraphrased as an athletic song by Elizabeth Thayer in '29.

The candlelight ceremony for class day was first used by the class of '35—and the Juniors Candlebearers for Commencement were in the same year.

The class of '41 had the first Senior Banquet, and the traditional Glen Allen-Highland Springs football game was first played in 1940.

Dedication

Through the doors of this Our Alma Mater, have passed many sons who will never return, but who have left within her portals a lasting memory and a symbol of loyalty and devotion. To this memory do we dedicate the Highlander of 1950—that we express in some small way our recognition of the honor and traditions which they upheld.

In Memorium

Because he shared his talents with us, and inspired us to regard the finer things of life, and because he worked with us and for us—disregarding his own well-being, he embedded himself firmly in our memories.

That we may keep the ideals of one who worked so hard and that we may show our sincere respect and love for him, the student body of Highland Springs bows to the lasting memory of—

Mr. Hubert Marshall

With kindness, dignity and understanding, these true friends have given us a keener appreciation for the finer things in life and a deeper regard for the development of ourselves as individuals.

The 1949 football season came to an end with Highland Springs winning 5 games, losing 4, and tieing one. Although we did not win all our games, we feel that it was one of our best seasons, because our team was made up of all inexperienced players and we all had a lot to learn. We did not have a one-man team; we all worked together. Buck Fuller was awarded the Mehfoud Trophy as the most valuable player. On the following pages are the games played and who played outstanding ball in each game. There are also pictures of the players and the cheerleaders on the following pages.

H. S. 20—BLACKSTONE 7

Highland Springs opened its season with a victory over Blackstone with R. Bailey throwing two T. D.'s to B. Bell.

H. S. 0—HOPEWELL 57

Highland Springs went way out of its class to play the future State champs from Hopewell. Guard N. Hornberger played outstanding ball.

H. S. 79—LOUISA 0

The Springers outpowered the boys from Louisa with F. Lange scoring 25 points.

H. S. 25—CULPEPER 13

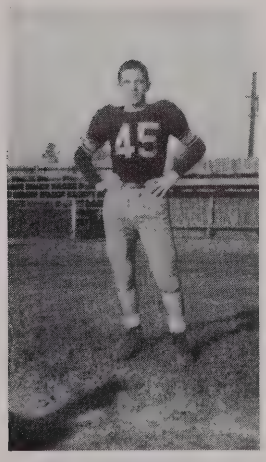

After a setback from Hopewell, the Springers outpowered a strong team, with ends W. Jordan and L. Wacker playing very outstanding ball.

H. S. 0—CHESTER 0

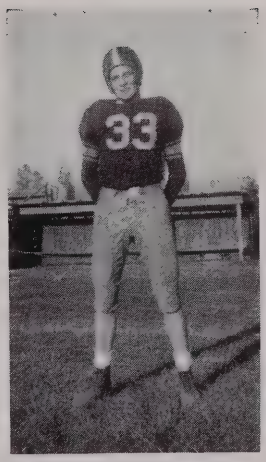

Chester pulled the surprise of the year on H. S. with the whole Springers team playing very good ball.

H. S. 14—MANCHESTER 12

The Springers finished fast to down Manchester on the last play of the game with J. Myers and W. Callahan playing the best game of the year.

H. S. 50—ASHLAND 0

Up to their necks in mud and rain, the Springers dropped Ashland. C. Long was outstanding on the line with back P. Burruss.

H. S. 12—JAMES MONROE 20

James Monroe downed the Springers using every break they could. The Springers' entire line played very good ball.

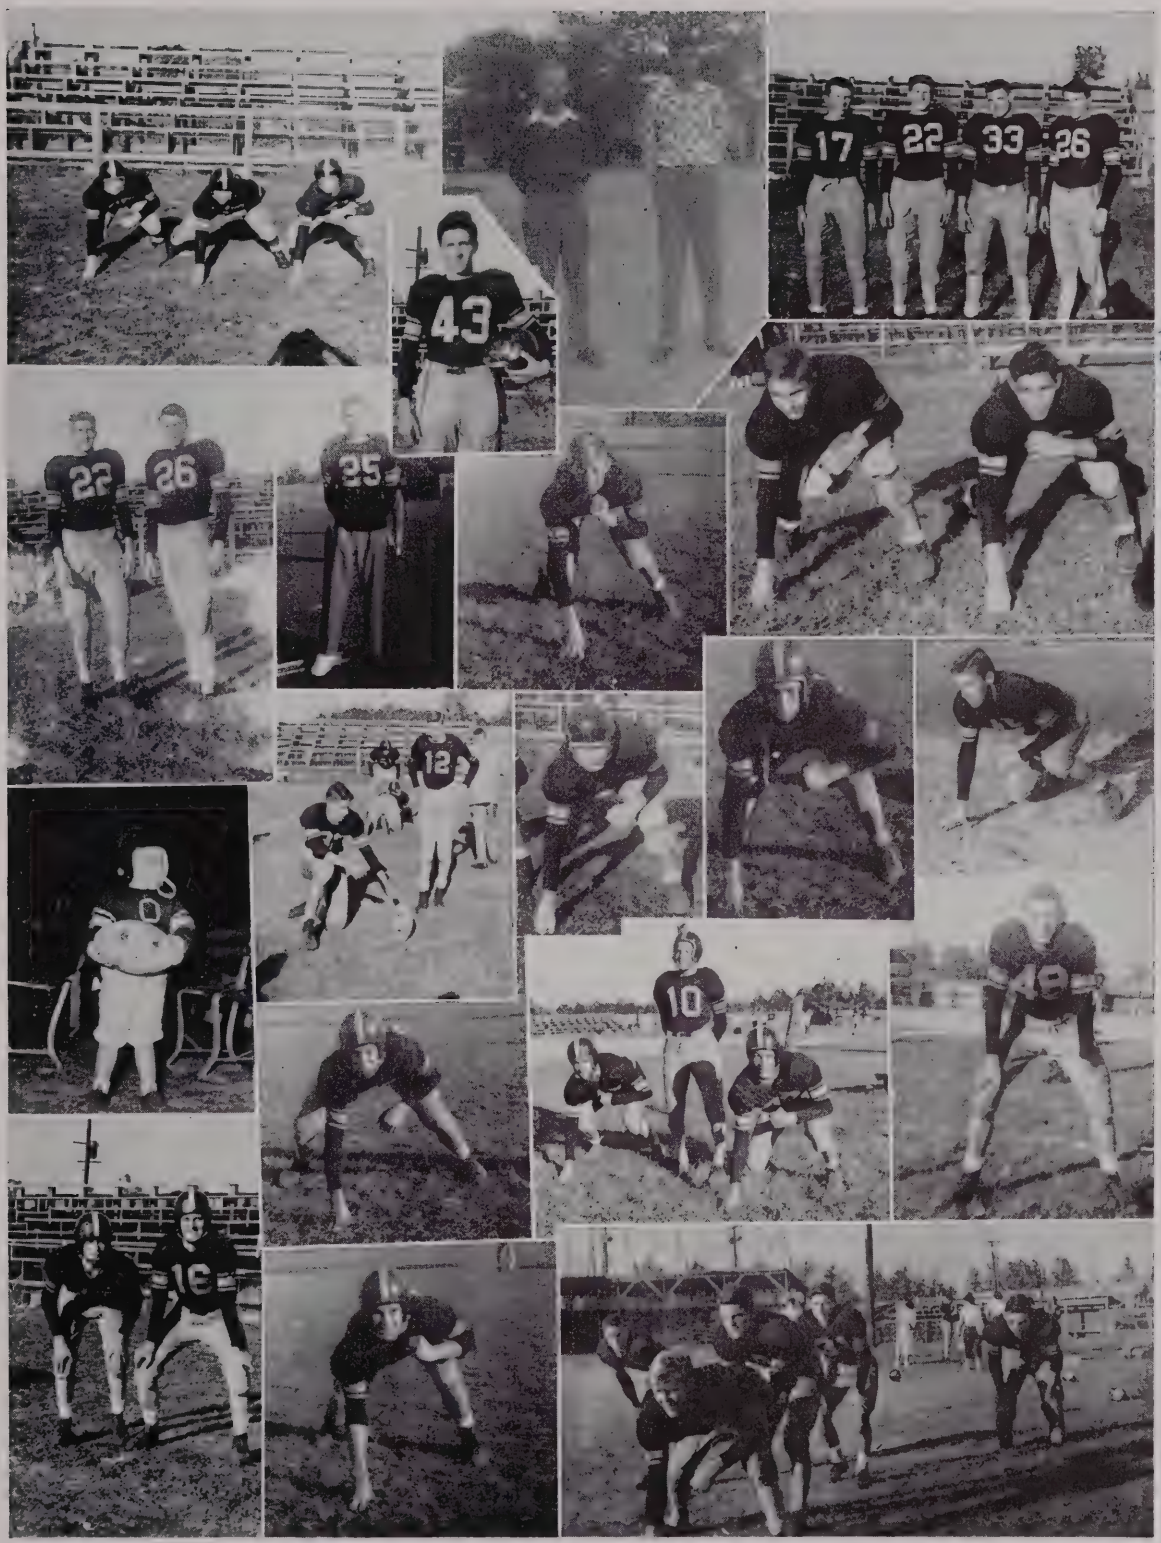

H. S. 7—GLEN ALLEN 14

After a weeks rest the Springers played their most important game of the season. B. Fuller played his best game at backing up the line and T. Mullins was the best back on the field.

H. S. 14—COVINGTON 34

Highland Springs traveled to the mountains to play a strong Covington team. T. Litterer and B. Marcano played excellent ball for Highland Springs.

Highland Springs, led by Ed Anderson, finished its best season in the school's history. While winning 14 games and losing 9, no one man was outstanding. Eight boys played outstanding ball together. Teamwork and cooperation were the reasons for a good season. Hugh Palmer was the high scorer of the season with 240 points. He was awarded the Alexander Trophy for being the most valuable player on the Springer's team.

Girls' Softball

For the first time in about six years, a girl's Softball Team is being organized at Highland Springs. The above pictures are some of the girls who will participate on the team. At the time the pictures were taken, there were no uniforms available. No schedule had been made as the team had just newly organized.

First Row: C. Long, M. Austin, Ed Anderson, B. Padget, J. Creger, C. Buheller, T. Atkinson, W. Cridlin, K. Fleming, R. Bailey, L. Stevens. Second Row: B. Fraze, P. Benninghove, D. Young, W. Edwards, B. Stingel, B. Baizendis, T. Martin, D. Thar, G. Dickinson, T. Parker, J. Dodd, B. Berne, C. Holcombe, Coach Sorrell.

Under the direction of coach Sorrell and the pitching of Clarence Buheller, Highland Springs started its 1950 season with a win over Ashland, 9-0. This year's team is made up of all experienced men and should be one of our best seasons. Tommy Atkinson and Norman McGee were elected Co-Captains. The team suffered a great loss early in the season when Norman McGee broke his ankle, leaving him on the sideline for the rest of the season.

For five straight years Highland Springs has won the District Meet. Coach Berry thinks this year's team is the best he has had in eight years and also the best dual-team in the state. Jack Johnson was high scorer last year with 123 points and received the trophy as the most valuable player. The state record in the high hurles is 16.8 and Jack has bettered this by 1.3 second (15.5). Late issue—Highland Springs won the state group II championship, while setting two new state records.

Friends

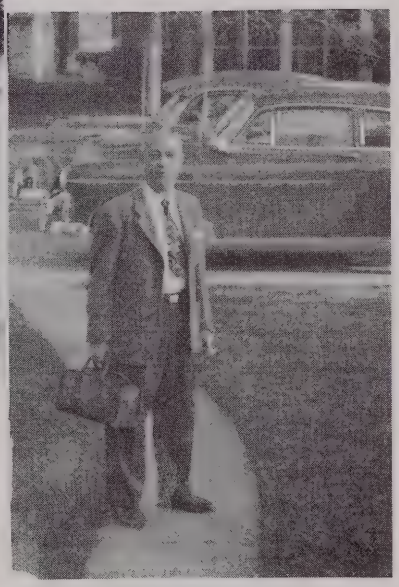

The students of Highland Springs High School are happy to express in this very small way their appreciation to the many friends of the school. There are so many individuals and groups who prove themselves our loyal supporters every day that we are unable to list them all, but we should like, however to express our undying appreciation and devotion to:

Mr. Cecil Childress—who has worked tirelessly and enthusiastically, as President of the P.T.A., to establish a very close relationship between the student body and the P.T.A. Mr. Childress, the students of Highland Springs say "thank you."

Mrs. J. Irving Brooks—Who has always shown a live interest in us—and who is always so ready to help us realize our particular ambition of the moment—whether it be obtaining information about our credits or getting ready for a dance, or even decorating the goal posts for the Glen Allen Game. Mrs. Brooks, you truly have a real place in our cherished memories.

Dr. B. Herman Bailey—who claims us all as his children and who is indeed a true friend to each and everyone. He is always on hand to lend a very willing hand through his guidance—physically, mentally and spiritually. Dr. Bailey, in our humble way, may we express to you our sincere appreciation and our endless devotion — your kindness, interest and loyalty are among the traditions of Highland Springs which are imbedded in our lives.

Appreciation

This is it!—The end of the year 1949-50 at Highland Springs High School and the end of the 1950 HIGHLANDER. We hope that now as in years to come you can share with us our joys and our sorrows, our victories and our defeats. It has been our aim to present a complete picture of our school. How nearly we have fulfilled our purpose depends upon many people whom we should like to thank personally.

Among those who have inspired, encouraged and enlightened us and those whose efforts have produced this book are:

Keel-Williams Corporation, particularly Mr. Williams, for their advice and their patience.

W. W. Thompson Company and their photographers for the individual and group pictures.

Mr. Gary M. Banks for his ever willingness to help us with our activity pictures.

Mr. Brooks, our principal, for his sound advice and his patience and encouragement.

The faculty for their loyal support and cooperation.

Our advisors, Mrs. Hughes, Miss Dulaney, Mr. Lowry, Miss Copenhaver, Miss Mills, Mrs. Young, and Miss Downer for their help—especially Miss Copenhaver for her wonderful contribution in the art work, and Miss Dulaney for working so patiently and efficiently with the ads.

Juddy Slachter and *Wendall Callahan* for their help with the art work.

Dorothy Mowles for her willingness to help in all the work of the annual, especially in taking and arranging the snapshots.

The Student Body for their cooperation and loyal support.

Our advertisers, for their financial support and their belief in us which have made the production of the HIGHLANDER possible.

Finally—Our sincere thanks to a hard working staff!

P.S.—Because he gives encouragement, sympathy, cooperation and support to all of us, faculty and students alike, and because of his happy disposition and the fact that he is always on hand to help us, we should like to say a special "thank you" to Mr. Applewhite!
